

Emergency Services Agreement

Name of Client: _____ Date of Birth: _____

This statement represents an explicit plan in the event of a psychological crisis, development of suicidal thoughts or intent, or any need for emergency contact.

Thriving Lives Counseling, LLC is an outpatient mental health facility with no full time call service or crisis response personnel. We return calls as soon as possible, but may not be available to do so immediately. Consequently, we formulate a plan with each person for emergencies in the initial phase of therapy in the event it is needed.

Recommended Crisis Resources:

For Hospital services, please go to the nearest Emergency Room (ER) or call 911.

Note: ANY local/nearby Hospital Emergency Room can initially respond to a crisis or emergency. By calling 911, emergency responders (e.g., Police or Fire Department personnel or Paramedics/Emergency Medical Technicians) will be dispatched to your location to offer further assistance, and transport you to the nearest ER, if/as needed.
